PALNA DAY Celebration

PALNA Day has been an annual tradition at Palna for decades. It is an evening when children who started out in Palna come back to Palna with their families to spend an evening of fun together. The pandemic had put a hold on this lovely tradition, and so this year the reunion was even more special as it was held after four years! The evening of March 9th saw more than 70 children and their families get together at Palna!

The entire Palna home was decked out in vibrant colours. From Mehendi to tattoo designs, and mouthwatering food, the celebration was a treat for all. The children had a blast with Mickey Mouse, Doraemon, and more, dancing and laughing nonstop. With exciting games and a lively puppet show, families bonded and won prizes together. Laughter filled the dance floor as parents and kids showed off their moves.

We were delighted to be able to resume this lovely tradition, and eagerly look forward to seeing everyone again soon!

Spotlight: Sita Therese Wilhelmsen

Homecoming

Sita Therese Wilhelmsen, a proud Palna child, visited her first home in January 2024 for the first time since she had been adopted as an infant four decades ago! Adopted into a loving family in Norway, she now spreads that love to her own beautiful family.

Sita got in touch with Palna a couple of years ago, and it has taken a lot of planning to accomplish her dream of visiting Palna. During her visit she sponsored a delightful lunch for all the children and served them lovingly by herself. She involved her friends and family in contributing towards a Smart board for the children at Palna to enhance their education through digital means.

She shared that she felt really blessed and thrilled to come back to the place where her journey started, and felt that the week she spent here was one of the highlights of her life. She has taken back beautiful memories from Palna and promised to stay committed and connected. Sita's warmth and thoughtfulness touched our hearts deeply.

Other Updates

Visit to Prem Dham Ashram: A team from Palna led by the Director, Ms Neeru Bhatnagar, had an uplifting experience at Prem Dham Ashram in Bijnor, a rehabilitation home for destitute, mentally and physically challenged young adults and senior citizens. Over the years several of our special needs children have found a safe haven here as they grew older and needed to be transferred from Palna. Our team was welcomed graciously by Father Shibu and Father Linto, and we witnessed a soul-stirring event featuring the musical talents of the residents. Our special educators, communicating through sign language, made connections that went beyond words. It was an enriching experience filled our hearts

We bid farewell to **Mr Sarjoo Prasad**, who retired after four decades of selfless service to DCCW. The DCCW team shared heartfelt stories, memories, and thoughtful gifts to mark the occasion. Gratitude filled our hearts for his exemplary service and inspirational vitality.

Janakpuri Centre building update: The rebuilding of our Janakpuri centre continues to hold priority this year. The plans for the new building have been finalised to be submitted for approval. The contract for the demolition of the existing structure was given and is now nearing completion.
